

SM07S

Rear Vision System

This System includes (1) C001S Camera
Call for Big Savings 574-807-6002

Engineered to meet the commercial demands and still be VERY budget minded. The system utilizes our most advanced power management system for stability in unstable electrical environments. This 7" LCD Monitor has a clear, crisp view in our durable housing. The monitor supports up to (3) Verity cameras. The SM07S includes our ADD21U "S" mount and (1) 65' camera cable. Ideal for limited installation space!
