

VERITY

4-pin to 5-pin
Part# CB125

Description: 4-pin Female to 5-pin Male
with mirror/un-mirror activation wire conversion cable

Part # CB125 Cable

Our exclusive 5-pin to 4-pin conversion cable. We are the only company that makes this with the 5th pin mirror/un-mirror activation jumper. It allows you to trigger the mirror function on older 5-pin systems.
